H.I.P. -High Interest Programs - Mililani Middle School is pleased to offer enriching and challenging opportunities to its students. HIP sessions are held usually after school to interested Gr 6-8 students starting in the Fall. Students and/or parents should review the listings, pick up an application from the program facilitator then turn in the completed application/packet by the due date. Additional HIP programs will be announced as they become available. Note: Students who are interested in HIP programs that have already started should check with the program's facilitator to see if participation may still be a possibility.
