# **Student Promotion Policy**

---

The Board of Education recognizes that young adolescence is a critical period in the development and education of students. If middle school students are to be adequately prepared for the academic rigor of high school and beyond, they must continue to achieve in the core content areas. Therefore, all students in grades six, seven and eight shall be required to take language arts, mathematics, science and social studies.

# **Student Promotion Policy**

---

Effective School Year 2007-2008, all students must receive a passing grade and receive an academic unit for each of the four content courses of language arts, mathematics, science and social studies, in order to be promoted to the next grade level.
